

### Brain

- Superior frontal gyrus
- Cingulate gyrus
- Lateral ventricle
- Postcentral gyrus
- Superior parietal gyrus

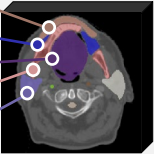

### Upper Limb

- Clavicula
- Humerus
- Scapula

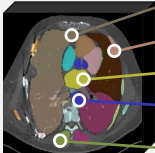

### Head and Neck

- Lips
- Buccal Mucosa
- Oral Cavity
- Mandible
- Parotid gland

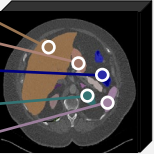

### Thorax

- Lung
- Rib
- Heart atrium
- Aorta
- Autochthon

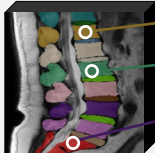

### Abdomen

- Liver
- Stomach
- Colon
- Kidney
- Spleen

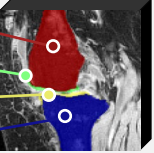

### Spine

- Lumbar vertebrae
- Intervertebral disc
- Sacrum

### Lower Limb

- Femur bone
- Femur cartilage
- Tibia cartilage
- Tibia bone

### Pelvis

- Transition zone of prostate
- Peripheral zone of prostate
